northcott equipment loan pool

Northcott Disability Services has an extensive range of wheelchairs and equipment available for loan to eligible clients across NSW. This unique service provides trials for clients who are looking to purchase their own equipment, emergency loans when equipment requires repair and offers equipment while clients are waiting for funding.

Loans

Prior to equipment being loaned, it is necessary to pay a refundable deposit and to complete a loan and application conditions form. The loan conditions form outlines the terms and conditions of the loan. Short term equipment loans are available for clients

Contact Administration Officer,
Northcott Equipment Solutions,
1 Fennell Street, North Parramatta NSW 2151
Ph: (02) 9890 0195 or 1800 506 071 (Freecall)
Fax: 9890 0924

who experience an emergency, such as a breakdown of their own equipment or while waiting to obtain equipment from other sources such as the NSW Program of Appliances for Disabled People (PADP). The service is also available to trial new equipment. Equipment is offered with a three month warranty period, which excludes misuse of equipment. After that time, clients are responsible for covering the costs of maintenance on the equipment. Once equipment is no longer required, it must be returned to NES. It is the client's responsibility to arrange the return of equipment.

Eligibility

Anyone in NSW who is eligible to be registered as a client of Northcott is able to apply for loan equipment. You will need to ask your worker to assist with arranging a loan. You can contact the NES Administration Officer and ask for an application form. We require that you complete an application form giving measurements and specifications for the equipment and ask that a therapist complete the measurements. We can organise an appointment with a therapist if necessary.

Funding

This service is funded by The Department of Ageing, Disability and Home Care and Northcott Disability Services.
